Community Center Campus

Make your own magazine!

Using a variety of materials, create your own zine
on a topic of your choice! Learn hands on art skills
and how to communicate through design.

Nov 21st:

from 10-3pm at the Miller
Community Center Campus

Build a model of your dream city!

If you were the mayor of a city, what would it look
like? As a class, we will answer this question by
making a city that is built by and for teens!
